ACCOUNT MANAGEMENT – USER PROFILE AND PAYMENT METHOD SETUP

Dear [First Name],

We're excited to begin the process of migrating your account to the new Short Code Registry! To ensure a smooth transition on January 1, 2026, please login to our transition site using the email address that received this notification and complete the following account setup steps by December 1st:

- Create your individual password (shared credentials will no longer work)
- Setup multi-factor authentication for enhanced security
- Add your payment details for Cards and ACH (existing data will not transfer)
- Manage existing user accounts and add additional team members

Plan for about 10-15 minutes to complete all four steps in one session.

[Setup Your Account](#)

Once logged in, you'll have access to account management and billing profile functions. Full platform functionality launches January 1, 2026.

Resources: Visit <https://usshortcodestransition.com> to access user guides and video walk-throughs.

We look forward to getting you onboarded into the new Short Code Registry and we're here to support you every step of the way.

Need Support?

For questions about this transition or the new platform:

Email csr@usshortcodes.com or call 1-888-625-8166

Please add scr.csr@gchtech.com to your safe-senders list to ensure you receive our emails during this transition period.

For all other customer support inquiries:

Continue using support@usshortcodes.com as usual.
